

Website Re-launch

We are very proud to present our fresh and innovative website, located at www.venmyn.com. The new website introduces new features such as the picture gallery, glossary and a blog. The website highlights include user-friendly navigation and layout, comprehensive and easy to read content. This exciting new environment will provide you with our unique and creative methods of reporting.

The screenshot displays the Venmyn website interface. At the top, the Venmyn logo is on the left, and a navigation menu with icons for Home, Profile, Services, Clients, Venmyn Interaction, Glossary, Team, Affiliates, and Contact Us is on the right. Below the navigation is a tagline: "The leading specialist advisor in mineral project valuation and statutory compliance to the international minerals industry and investors." The main content area is divided into several sections:

- Newsletters:** A section titled "The Occurrence of Diamonds in South Africa" with a description and a "full archive" link.
- VENMYN TALK:** A featured article with a large image of a diamond and a globe.
- Live Spot Price Table:** A table showing the price and movement of various metals.

Live Spot	Price	Move
Rand / Pound	14.03	1.72% ↑
Rand / Dollar	7.19	1.91% ↑
Palladium	365.50	-1.06% ↓
Platinum	1554.00	-0.19% ↓
Silver	15.93	-1.16% ↓
Gold	874.55	-0.94% ↓
- Technical Statements:** A list of technical statements including "Trekopje Technical Statement" and "Afplats Technical Statement".
- Environmental Statements:** A section for "Environmental Statement Template" with a description.
- Oil and Gas Statements:** A section for "Oil & Gas Statement Template" with a description.
- Picture Gallery:** A gallery of images, with one image showing "Alluvial diamond gravel".

At the bottom of the page, there is a footer with the text "All Content © Venmyn 2007" and "Site created by Waxed Media".

We hope that as Venmyn continues to grow the various facets of its advisory service; our clients will continue to identify us with our traditional principles.

Join us in our blog discussion on "rubber stamped reports".
